MARQUEE | HIRE | DESIGN

together

Truly Yours is a contemporary events studio based in the South Island. We offer marquee & furniture hire for couples, brands & families who want to create a memory worth celebrating.

Designers of Memories. Makers of **Magic.**

Weddings

Corporate & Private Events

Making magic & designing memories is all about storytelling.

To create something better than your wildest dreams yet so undeniably 'you', we spend a lot of time collaborating - right from initial discussions where we chat about how the two of you fell in love, through to finalising the nitty gritty details of your marquee & dance floor!

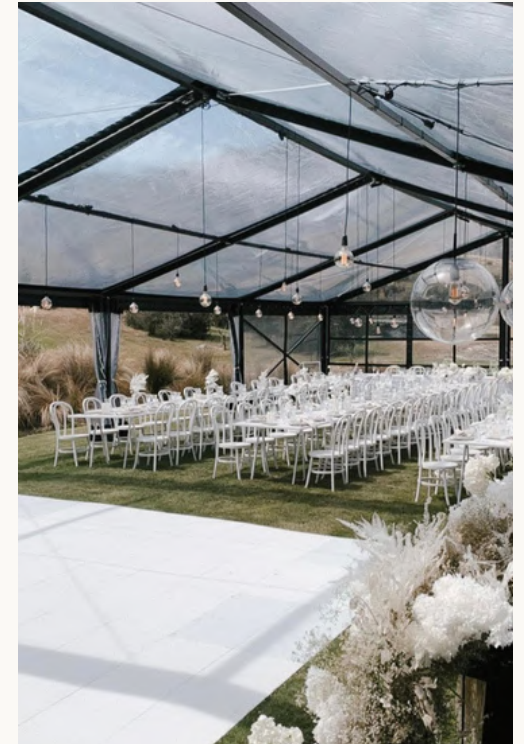

Our marquees offer a beautiful & timeless canvas for your event - one completely customised to reflect your special story & dream aesthetic.

Designed for dancing the night away **under the stars**

Our job is to help you plan the layout for your space, set everything up for you, and pack it all down again afterwards.

Your job is to enjoy being the star of the show...although your marquee will probably come a close second!

Truly Yours White Clear Marquee

If you're thinking about a marquee for your event, chances are you have a special location in mind: a family bach, a lakeside locale, a spot under the rugged mountains. That's the beauty of our premium Clear Marquees - we bring the party to you, wherever that may be.

Perfect for small soirées and grand affairs alike, soft, fresh and crisp - our premium White Clear Marquee is a beautiful blank canvas that slips effortlessly into any aesthetic.

Our heaters sit outside the marquee and hot clean dry air is ducted into the marquee. This enables you to keep the doors shut (unlike your typical heater) and keep warm. This heater also won't condensate your beautiful clear marquee roof!
